The GLOBE-REPUBLICAN Supplement  
contains much interesting matter be-  
side important political reading.

Ex-Senator Peffer who has been  
speaking in Colorado says that state  
will cast its vote for McKinley.

The Lawrence World would like to  
get the address of the man who voted  
for Bryan four years ago in order to  
open the silver mines of Colorado  
and afford a market for Kansas po-  
tatoes.

Elephants are scarce in the orien-  
tal trade, and in consequence prices  
have gone up. The rearing of the  
G. O. P. will be an elephant that will  
cause wonder to the democrats. It  
will be a big show.

The seed on the buffalo grass in  
Western Kansas is usually thick  
this year and the old settlers are pre-  
dicting a fearfully cold winter. But  
does this account for the Bryan frosts  
that already have set in?—Kansas  
City Journal.

The great success of Chamberlain's  
Colic, Cholera and Diarrhoea Remedy in  
the treatment of bowel complaints has  
made it standard over the greater part  
of the civilized world. For sale by W. S.  
Amos.

## Why the Rebellion Continues.

A Davenport, Iowa, soldier writes  
from the Philippines and states that  
Aguinaldo, the insurgent leader, en-  
courages his followers to persist in  
the rebellion because he thinks  
Bryan may be elected and will be on  
the side of the insurrectionists.

The Davenport Republican of Sept.  
16 says:

A few days since C. W. Lasher of  
this city received a letter from his  
son who is serving in the Philippines.  
A portion of the letter is of special  
interest in a political sense as it gives  
the views of one on the ground as to  
the effect of the teachings of William  
J. Bryan and his followers. It shows  
conclusively that the Filipinos are  
prolonging the struggle hoping that  
Mr. Bryan may be elected, and  
places on him their responsibility for  
the continuation of the struggle. L.  
G. Lasher, the writer, is a sergeant  
in Co. K, 12th U. S. infantry and the  
portion of his letter referred to is as  
follows:

"A few days ago General Mc-  
Arthur issued a proclamation offering  
amnesty to all who are now or have  
been in insurrection against the  
United States, something by the way  
that has been offered these niggers  
ever since the United States took pos-  
session of these islands. The next  
day a proclamation appeared signed  
by 'Aggie,' advising all Filipinos to  
continue fighting, as there would  
soon be an election in the United  
States and that their friend W. J.  
Bryan would be elected, and he  
would withdraw all troops and grant  
them independence. And I don't  
know but what Aggie is right.  
Should William J. Bryan be elected  
I believe it would be the ruin of the  
United States."

## Stepped Into Live Coals.

"When a child I burned my foot  
frightfully," writes W. H. Eads, of  
Jonesville, Va., "which caused horri-  
ble leg sores for 30 years, but Bucklen's  
Arnica Salve wholly cured me after every-  
thing else failed." Infallible for Burns,  
Scalds, Cuts, Sores, Bruises and Piles.  
Sold by W. F. Pine for 25c.

American patriotism now means  
more principles and less cant, more  
enlightenment and less enforcement.  
The commercial and religious world  
are also feeling the influence of this  
spirit of the age. There is a bolder  
and diviner condemnation of wrong  
and injustice. There is more em-  
phasis upon character than creed.  
The hour is prophetic. There is a  
star in the sky.—Rev. Cortland  
Myers, Baptist, Brooklyn, N. Y.

## What's Your Face Worth?

Sometimes a fortune, but never, if you  
have a sallow complexion, a jaundiced  
look, moth patches and blotches on  
the skin,—all signs of Liver Trouble. But  
Dr. King's New Life Pills give Clear  
Skin, Rosy Cheeks, Rich Complexion.  
Only 25 cents at W. F. Pine's Drug Store.

Charles Scott of Iowa: There are a  
great many good people, the tender-  
est-hearted people in the world, who  
are rejoicing at the conditions that  
now prevail in China because they be-  
lieve it is God's way of opening up  
that benighted empire to civilization  
and Christianity. They think it is  
going to be another illustration of the  
old saying that "the blood of the  
martyrs is the seed of the church." And  
they are probably right.

## A Fiendish Attack.

An attack was lately made on C. F.  
Collier of Cherokee, Iowa, that nearly  
proved fatal. It came through his kid-  
neys. His back got so lame he could  
not stoop without great pain, nor sit  
in a chair except propped by cushions. No  
remedy helped him until he tried Elec-  
tric Bitters which effected such a won-  
derful change that he writes he feels like a  
new man. This marvelous medicine  
cures backache and kidney trouble, puri-  
fies the blood and builds up your health.  
Only 50c at W. F. Pine's Drug Store.

## To Subscribers.

We request that all subscribers owing  
on account of subscription please call and

everybody, and which in turn must  
help the printer.

## A Word to Mothers.

Mothers of children affected with croup  
or a severe cold need not hesitate to ad-  
minister Chamberlain's Cough Remedy.  
It contains no opiate nor narcotic in any  
form and may be given as confidently to  
the babe as to an adult. The great suc-  
cess that has attended its use in the treat-  
ment of colds and croup has won for it  
the approval and praise it has received  
throughout the United States and in many  
foreign lands. For sale by W. S. Amos.

## To Stop A Cold.

After exposure or when you feel a  
cold coming on, take a dose of Foley's  
Honey and Tar. It never fails to stop a  
cold if taken in time. W. S. Amos.

The Fort Dodge drum corps was com-  
posed of boys in age ranging in age from  
7 to 14. They are eight in number and  
furnished very good music. The little  
fellows cannot be too highly praised and  
deserve special mention.—Meade Globe.

## For Female Complaints

and diseases arising from an impure  
state of the blood Lichy's Celery Nerve  
Compound is an invaluable specific.  
Sold by W. F. Pine.

We have discovered that the newspaper  
business is not unlike any other business,  
and the fellow who does the most for is usu-  
ally the one to get his gilet into you the  
first time he gets a good opportunity.  
—Cimarron Jacksonian.

"I have always used Foley's Honey  
and Tar cough medicine and think it the  
best in the world," says Chas. Bender,  
a newsdealer of Erie, Pa. Take no sub-  
stitute. W. S. Amos.

State Fish Commissioner George Wiley  
has almost completed an invention which  
will be a blessing to the western Kansas  
sports. It is a cross between the black  
bass and the crayfish which will swim in  
the waters of the Arkansas river when  
there is water and will dig itself a hole in  
the sand and hide during the dry spell.  
—Kansas City Times.

## Quinine for Colds.

Many people who use quinine for the  
cure of colds say that the effect of this  
drug is more disagreeable than the dis-  
ease. Krause's Cold Cure is prepared in a  
convenient capsule form, and will cure  
the most deeply seated cold in 25 hours  
without interruption to business. They  
are pleasant to take and give you a clear,  
fresh sensation while operating. Price  
25c. Sold by W. F. Pine.

A merchant in a southern Kansas town  
prints a notice in the local paper calling  
the attention of the farmers to a water-  
ing trough he has provided for their be-  
nefit, and asking them to make use of it.  
He says he hammered away at the city  
council so long, asking them to put one  
in that he got disgusted with himself for  
bothering the members of that body and  
fixed up a trough at his own expense.

The editor of the Fordville, Ky., Mis-  
cellaneous, writes as a postscript to a  
business letter: "I was cured of kidney  
trouble by taking Foley's Kidney Cure." Take  
nothing else. W. S. Amos.

A man called at the Capital office a few  
days ago and asked for copies of some  
Kansas exchanges. He said he wanted  
to get an idea of the business done in  
certain lines in several towns. There are  
a lot of papers printed in this state which  
are so poorly patronized that it is not pos-  
sible to glean much information of this  
nature from them.—Topeka Capital.

## Heller's Testimony.

Albert Heller, living at 1114 Farnham  
St., Omaha, says: "I have tried most  
everything that is used as a preventive  
or cure for headache, but nothing did me  
so much good as Krause's Headache  
Capsules. Others who have used them  
say the same thing." Price 25c. Sold  
by W. F. Pine.

Mrs. M. E. Newcomer, who has long  
been an invalid and a great sufferer from  
a complication of diseases, died quite sud-  
denly Sunday afternoon at her home in  
the First ward. The lady had suffered  
great pain during the latter years of her  
life, yet she was ever cheerful and bore up  
with true christian fortitude. She was a  
woman of much natural talent and was  
always devoted to her family.

Mrs. Newcomer was born in Berks  
county, Pa., in 1828, and came west in  
1847, being one of the pioneer settlers of  
this county. She was married to Mr.  
Newcomer July 1, 1847, and is survived  
by her aged husband who is a veteran of  
both the Mexican and civil wars, and the  
following children: Mrs. C. A. Shinn,  
Dodge City, Kansas; Mrs. W. W. Har-  
per and Mrs. Lilly Quincer, of Freeport,  
and B. F. Newcomer, of Chicago.—Free-  
port (Ill.) Journal, Sept. 26.

Mrs. Newcomer resided in Dodge City  
a short time, some years ago.

## A WONDERFUL CURE OF DIARRHOEA.

Had Almost Given Up, but Was Brought  
Back to Perfect Health by Cham-  
berlain's Colic, Cholera and Diarrhoea  
Remedy.

## READ HIS EDITORIAL.

From The Times, Hillsdale, Va.  
I suffered with diarrhoea for a long  
time and thought I was past being cured.  
I had spent much time and money and  
suffered so much misery that I had al-  
most decided to give up all hopes of re-  
covery and await the result, but, noticing  
the advertisement of Chamberlain's  
Colic, Cholera and Diarrhoea Remedy  
and also some testimonials stating how  
some wonderful cures had been wrought  
by this remedy, I decided to try it. Af-  
ter taking a few doses I was entirely well  
of that trouble, and I wish to say farther  
to my readers and fellow-sufferers that I  
am a hale and hearty man to-day and  
feel as well as I ever did in my life.—O.  
R. MOORE. Sold by W. S. Amos.

Gatlin's Anti-Bilious Compound cures  
habitual constipation. Large boxes 50  
cents. Ask your druggist for a free sam-  
ple. For sale by all druggists.

## Lichy's Celery Nerve Compound

for all nervous diseases, neuralgia, rheu-  
matism, nervous debility, paralysis, bil-  
iousness, dyspepsia, costiveness, piles,  
liver complaint, kidney troubles and fe-  
male complaints. It goes to the seat of  
the disease and cures thoroughly and  
speedily. Sold by W. F. Pine.

Archie Keech brought to town Tuesday  
a historic plow, a 24-inch prairie breaker.  
It was brought to Dodge City by John  
Riney, one of the first settlers, and was  
the first plow brought to that section. It  
has been used in turning sod all around  
this country, having worn out several  
stocks. It was down on the South Cana-  
dian river, 160 miles southwest of here,  
at the time of the "Adobe Walls" fight in  
which 27 Indians were killed by the buf-  
falo hunters in '73 or '74. In that fight  
like Shidler, Billy Tyler and one or two  
others were killed. A. O. Bond, the  
Palace druggist at Dodge City, was in  
that fight. Mr. Keech has taken the  
plow to Dodge to exhibit as a relic.—  
Cimarron Jacksonian.

## A Card.

The manufacturers of Banner Salve  
have authorized the undersigned to guar-  
antee it for burns, cuts, sores, ulcers,  
tetter, eczema and all skin diseases. You  
have your money back if it doesn't do all  
it claims. W. S. Amos.

## Fifteen Thousand New Mexico Sheep Will "Baa" at Bryan.

E. G. Gardier, of the firm of Gardier  
& Woodhall, of Albuquerque, arrived at  
Las Vegas with 15,000 sheep which the  
firm sold to a Lincoln, Neb., man at a  
very profitable price. The sheep were  
brought here to be dipped, preparatory  
to being shipped to the home of the  
Tagal chief, and the poor, innocent sheep  
feel bad enough over their shady destina-  
tion. Even a sheep draws the dividing  
line at certain company.

Did any one hear of any person outside  
of a lunatic asylum who wanted to buy a  
herd of 15,000 sheep, even at 75 cents each,  
when Grover Cleveland and the Democ-  
racy were desolating the country from  
1893 to 1897?—Las Vegas Republican.

As usually treated a sprain will disable  
the injured person for three or four  
weeks, but if Chamberlain's Pain Balm is  
freely applied a complete cure may be  
effected in a few days. Pain Balm also  
cures rheumatism, cuts, bruises and burns.  
For sale by W. S. Amos.

High living, intemperance, exposure  
and many other things bring on Bright's  
disease. Foley's Kidney Cure will pre-  
vent Bright's disease and all other kid-  
ney and bladder disorders if taken in time.  
W. S. Amos.

PUBLICAN will be sent during the campaign

## It Heals the Lungs.

When suffering from a racking cough,  
take a dose of Foley's Honey and Tar.  
The soreness will be relieved, and a warm  
grateful feeling and healing of the parts  
affected will be experienced. Take no

Over thirty out of one hundred people  
are troubled with constipation and doc-  
tors claim this is the indirect cause of  
three-fourths of all sickness. If you are  
one of the thirty, why don't you take  
Gatlin's Anti-Bilious Compound? It  
permanently cures habitual constipation.  
Your money back if you are not cured.

## Saved From Drowning.

R. O. Van Wert, of Chicago, jumped  
into the lake, rescued Willie Hermer, as  
he was sinking for the last time, carried  
him to the shore, and by the most prompt  
and vigorous treatment restored him to  
life.

Much can be said about the wise  
provisions of nature to restore the strength  
and vigor of the system, but thousands of  
lives are saved by the prompt action of  
XXX Dandelion Bitters. After the long  
strain of months of hot and trying  
weather, disease is lurking in every cor-  
ner ready to pounce upon the weak and  
unresisting. Nature's process is too  
slow.

When you are run down in health;  
when your appetite is poor; when you  
are advanced in years, and feel unequal  
to the duties of life; or if you are a wom-  
an, when you are suffering from irregu-  
lar monthly periods, or other female  
troubles; when you are dragged down  
with the care of a nursing baby, or if you  
feel dizzy, nervous, excitable, melan-  
choly, or have fainting spells, you need  
a tonic to help nature's forces to bring  
about quick results. XXX Dandelion  
Bitters is the best tonic known. It tones  
up the stomach, bowels, liver and kid-  
neys; it corrects any irregularity and  
regulates every organ in the system; im-  
proves the condition of the blood, and  
restores perfect health and vigor.

Fair prices, honest measures and cour-  
teous treatment at INDIANA GROCERY.

## CHESTER L. LONG

Candidate for Congress.

Will address the people of Dodge City,  
Saturday, October 20, at 2 p. m., and at  
Cimarron, on Friday, October 19, at 2 p.  
m.

These will be important meetings and  
the best attended of all meetings. Come  
out everybody.

It is exasperating to one who knows  
Foley's Honey and Tar, and knows  
what it will do, to have a dealer to re-  
commend something else as "just the  
same" or "just as good" for colds, cough,  
croup, la grippe, etc. W. S. Amos.

Don't forget to register, if you did not  
register for the spring election. And if  
you have moved from your ward you  
must give City clerk notice. See the  
notice given by City Clerk Gallagher, in  
another column.

Don't be deceived or humbugged by  
people who claim the discovery of some  
hitherto unknown herb or root in swamps,  
or on some mountain or prairie, for the  
cure of kidney and bladder troubles.  
Any doctor or druggist will tell you that  
such claims are fraudulent. Foley's Kid-  
ney Cure simply contains remedies that  
are recognized by the most skillful physi-  
cians as best for these complaints, so  
don't be credulous or foolish. W. S. Amos.

## Card of Thanks.

I desire to express my sincere thanks  
to the many kind friends who so nobly
